## SITUATION

Whitchurch Hill is a quiet, hilltop village lying some 450' above sea level on the edge of the Chilterns Escarpment close to the Thames Valley, approximately 2 miles from Pangbourne on Thames with surrounding countryside designated an area of 'Outstanding Natural Beauty'.

Traditionally timbered and thatched cottages overlook the village green and parish church of St Johns and there are many other period properties reflecting the differing architectural styles through the ages, which essentially form the character and history of this unspoilt rural community historically based on agriculture and farming.

At the bottom of the hill is the separate village of Whitchurch on Thames lying opposite to the village of Pangbourne on the Berkshire side of the river, and home to a well revered and outstanding primary school. Pangbourne offers excellent shopping facilities as well as a wide range of amenities including a mainline railway station which has excellent commuter services to Reading and up to London (Paddington) in under the hour. There is a regular daily bus service to Reading via Pangbourne from Woodcote with good road communications, particularly for Reading and the M4 motorway.

In addition to having well revered and 'outstanding' local state primary school in Whitchurch on Thames and secondary schooling in nearby Woodcote, the area is also extremely well served by an excellent range of private schooling, of particular note; Cranford House School, The Oratory Preparatory School, Moulsoford Preparatory School, St Andrews Preparatory School, The Oratory School, Pangbourne College, Brockhurst & Marlston House, Downe House, Rupert House School, Shiplate College, The Abbey School, Bradfield College, The Manor Preparatory School, Abingdon School, Abingdon Preparatory School, St Helen & St Katharine, Radley College and The European School at Culham.

The major centres of Reading, Oxford, Newbury and Henley on Thames are all within easy driving distance as are the M4 and M40 Motorways.

Crossrail (Elizabeth Line) services have commenced from Reading which together with the completed electrification of the line has significantly improved travelling times to East and West destinations.
