SITUATION

Goring on Thames lies serenely in the beautiful Thames Valley set between the Chiltern Hills in Oxfordshire and the Berkshire Downslands opposite above the village of Streatley, the area known geographically as the 'Goring Gap' and designated an 'AONB'.

In 2010 Goring was awarded the prestigious "Oxfordshire Village of the Year" and also the coveted "South of England" title. Local amenities include an excellent range of interesting shops, restaurants and riverside café, boutique hotel, two olde worlde inns, health centre, veterinary practice, dentist, library, and importantly a mainline station providing fast commuter services up to London (Paddington) in well under the hour. There is also an extensive selection well revered state and private schooling in the surrounding area. The central village 'Conservation Area' has a wealth of architecturally interesting properties, many listed and dating from around the 16th Century. Historically Goring traces back to Saxon times.

Cariad Court is an exclusive development of 32 riverside apartments built in approximately 1975, located in an established and much favoured residential part of the village, adjacent to the 'Conservation Area' and within easy reach of the central shops, amenities and station. Built on the site of an original late Victorian house, the apartments are set in mature, landscaped gardens and grounds which extend down to the river, incorporating terraced lawns and rockeries together with many specimen trees and shrubs. There is a long direct frontage to the river and a private river inlet along which are situated nine 30' moorings, owned exclusively by Cariad Court residents and which become available from time to time for separate purchase.

PROPERTY DESCRIPTION

The apartment which is located on the second floor of the building, enjoys stunning views from its wide walk in bay window in the sitting / dining room directly overlooking communal grounds and the River Thames. The sunsets are wonderful, with further reaching views beyond to the scenic National Trust hills on the Berkshire side of the river above Streatley being afforded also.

OUTSIDE

Cariad Court is located towards the top of Cleeve Road where an impressive, private, splayed entrance drive leads to Cariad Court itself and down to a large Communal Parking Area at the bottom, close to the apartments themselves, off which there is access down to a separate Underground Parking Area where further communal parking spaces can be found.

The mature 'park-like' gardens and grounds were originally designed and laid out for Cariad House which was a stately home built in the Tudor style for the Earl of Shrewsbury in the late Victorian era. Approximately 4 acres surround the Apartments which occupy a commanding position approximately 100ft above the River enjoying magnificent Westerly views across to water meadows opposite with the National Trust hills and Berkshire Downlands forming a delightful backdrop in the distance.

There are lawned terraces overlooking the River and low stone walled winding walkways with numerous rockeries and shrub borders. Additionally there is a long direct frontage to the River together with a wooded Eyot and a mooring inlet off which are located nine 30ft moorings owned exclusively by Cariad Court residents.
